10th March, 2023

Dear Parents / Guardians,

Second Term Test (S.4)

The Second Term Test will be held from 27th March 2023 (Monday) to 1st April 2023 (Saturday). Please find the attached timetable, coverage and revision guidelines for all subjects. You are encouraged to monitor the revision progress of your child to ensure good results in the test.

Please be reminded that:

1. Students should come back to school before 8:10 am. Those who do not need to sit for the first session must come back before the commencement of the second session. They should not linger in the corridor during the test as it may cause disturbance to other students taking the test. Instead, they should make full use of the time to self-study either in the school library or at the tuck shop.
2. In the event of absence due to illness, a medical certificate issued by a registered doctor must be provided within 3 days so that the test score(s) concerned will not be counted in the annual total. Otherwise, the test score(s) will be counted as zero.
3. If the test of a particular subject is affected due to bad weather or special circumstances, the date of the test will be announced separately. The tests of other subjects will be carried out as scheduled.
4. Students should go home for revision immediately after the test.
5. You can contact Ms LO Ha-lam or the school social worker Ms NG if you find that your child needs any special arrangements for the test.

Kindly fill in the reply slip and return it to the class teacher. Should you have any enquiries, please contact the class teacher.

Yours faithfully,

CHENG Che-yin M.H.
Principal
