10<sup>th</sup> October, 2022

Dear Parents / Guardians,

## First Term Test and School Calendar Updates (S.4)

### 1. First Term Test

The First Term Test will be held from 24<sup>th</sup> October 2022 (Monday) to 29<sup>th</sup> October 2022 (Saturday). Please find the attached test timetable, coverage and revision guidelines for all subjects. You are encouraged to monitor the revision progress of your child to ensure good results in the test.

Please be reminded that:

1. Students should come back to school before 8:10 am. Those who do not need to sit for the first session must come back before the commencement of the second session. They should not linger in the corridor during the test as it may cause disturbance to other students taking the test. Instead, they should make full use of the time to self-study either in the school library or at the tuck shop.
2. In the event of absence due to illness, a medical certificate issued by a registered doctor must be provided within 3 days so that the test score(s) concerned will not be counted in the annual total. Otherwise, the test score(s) will be counted as zero.
3. If the test of a particular subject is affected due to bad weather or special circumstances, the date of the test will be announced separately. The tests of other subjects will be carried out as scheduled.
4. Due to the pandemic, students should go home for revision immediately after the test.
5. You can contact Ms LO Ha-lam or the school social worker Ms NG if you find that your child needs any special arrangements for the test.

### 2. School Calendar Updates

School summer holiday will commence on 14<sup>th</sup> July, 2023 (Friday). Please refer to the attached "Revised School Calendar" for details of the arrangement.

In addition, according to the EDB circular 'Arrangements for Face-to-Face Classes for Schools in Hong Kong in the 2022/23 School Year', 90% or more of the total number of S.5 and S.6 students of our school have received two doses of vaccine; thus, EDB allows the two forms to resume whole-day face-to-face classes from 26<sup>th</sup> September to 31<sup>st</sup> October, 2022. In order to further strengthen the protective barrier of schools, the EDB has decided to step up the vaccination requirements starting from 1 November 2022. If the total number of students for the whole school or individual form(s) who have received three doses of vaccine reaches 90% or above, the EDB, taking into account the actual circumstances of the schools, may allow them to resume whole-day face-to-face classes. However, the vaccination requirements aforementioned have not been met as of the current situation in our school. Therefore, the school would reiterate the importance of arranging vaccination for your child if the physical condition allows. In this way, students can resume to normal school life, including whole-day face-to-face classes and extra-curricular activities.

Kindly fill in the reply slip and return it to the class teacher. Should you have any enquiries, please contact the class teacher.

Yours faithfully,

CHENG Che-yin M.H.

Principal
