Dear Parents / Guardians,

First Term Examination (S.2)

The First Term Examination will be held from 7th January 2021 (Thursday) to 19th January 2021 (Tuesday). Please find attached the examination timetable, coverage and revision guidelines for all subjects. You are encouraged to monitor the revision progress of your child to ensure good results in the examination.

Please be reminded that:

1. Students should come back to school before 8:10 am. Those who do not need to sit for the first session must come back before the commencement of the second session. They should not linger in the corridor during the examination as it may cause disturbance to other students taking the examination. Instead, they should make full use of the time to self-study either in the school library or at the tuck shop.
2. In the event of absence due to illness, a medical certificate issued by a registered doctor must be provided within 3 days so that the examination score(s) concerned will not be counted in the annual total. Otherwise, the examination score(s) will be counted as zero.
3. If the examination of a particular subject is affected due to bad weather or special circumstances, the date of the examination will be announced separately. The examinations of other subjects will be carried out as scheduled.
4. Due to the pandemic, students should go home for revision immediately after the examination.
5. You can contact Ms Lo Ha-lam or the school social worker Mr Ngai if you find that your child needs any special arrangements for the examination.

Please supervise your child in preparing for the examination. Should you have any enquiries, please contact the class teacher.

Yours faithfully,

CHENG Che-yin
Principal
