Dear Parents / Guardians,

First Term Test (S.5)

The First Term Test will be held from 24th October 2023 (Tuesday) to 30th October 2023 (Monday). Please find the attached test timetable, coverage and revision guidelines for all subjects. You are encouraged to monitor the revision progress of your child to ensure good results in the test.

Please be reminded that:

1. Students should come back to school before 8:10 am. Those who do not need to sit for the first session must come back before the commencement of the second session. They should not linger in the corridor during the test as it may cause disturbance to other students taking the test. Instead, they should make full use of the time to self-study either in the school library or at the tuck shop.
2. In the event of absence due to illness, a medical certificate issued by a registered doctor must be provided within 3 days so that the test score(s) concerned will not be counted in the annual total. Otherwise, the test score(s) will be counted as zero.
3. If the test of a particular subject is affected due to bad weather or special circumstances, the date of the test will be announced separately. The tests of other subjects will be carried out as scheduled.
4. You can contact the school teacher Ms LAW Suet-kam, the school social worker Ms NG or Mr Tsoi if you find that your child needs any special arrangements for the test.

Kindly fill in the reply slip and return it to the class teacher. Should you have any enquiries, please contact the class teacher.

Yours faithfully,

CHENG Che-yin M.H.

Principal
