Dear Parents / Guardians,

### Notice on First Term Examination (S.3)

The First Term Examination will be held from 5<sup>th</sup> January 2024 (Friday) to 18<sup>th</sup> January 2024 (Thursday). Please find the attached examination timetable, coverage and revision guidelines for all subjects. You are encouraged to monitor the revision progress of your child to ensure good results in the examination.

Please be reminded that:

1. Students should come back to school before 8:10 am. Those who do not need to sit for the first session must come back before the commencement of the second session. They should not linger in the corridor during the examination as it may cause disturbance to other students. Instead, they should make full use of the time to self-study either in the school library or at the tuck shop.
2. In the event of absence due to illness, a medical certificate issued by a registered doctor must be provided within 3 days so that the score(s) of the examination concerned will not be counted in the annual total. Otherwise, the score(s) of examination will be counted as zero.
3. If the examination of a particular subject is affected due to bad weather or special circumstances, the date of the examination will be announced separately. The examinations of other subjects will be carried out as scheduled.
4. You can contact the school teacher Ms LAW Suet-kam, the school social worker Ms NG or Mr Tsoi if you find that your child needs any special arrangements for the examination.

You are strongly advised to supervise the revision progress of your child so that they can fully apply what they have learnt. Kindly fill in the reply slip and return it to the class teacher. Should you have any enquiries, please contact the class teacher.

Yours faithfully,

CHENG Che-yin M.H.

Principal
